This is waaaay COOL!!... For all you Dramamine users (to counteract vertigo), may I suggest that you play with
this for a couple minutes, then aim at a mountain top and let go of the mouse...!! Enjoy!!

Move your cursor over the screen L to R, and you will have the impression, you are flying over the mountains.

National Young Eagles Day at RVN

Chapter 442 held a Young Eagles event on June 14th, at the Hawkin's county Airport. We had a beautiful day for flying and food. We flew Young Eagles and some of their parents. Bob Barlow YE Chairman, 1st picture.

Our Photographer/Cook isn't shown, but thanks to Bruce Campbell for his efforts. Each YE had their picture taken, and thanks to President Mike Hathaway for bringing his photo printer. We were able to give each participant a picture to take home.

And where would we be if we didn't have the Volunteer to take care of the paperwork? THANKS!

On Saturday the 28th of June 2008, EAA Chapter 442 once again flew all the kids involved in the Ulster Program and some of the chaperones. I (editor) always enjoy this opportunity to give a young person a chance to experience flying. Thanks to Bob Barlow for heading up our YE program and all the volunteers. I will be adding a lot more pictures on our web site along with some video. Compliments of Bruce Campbell our photographer.
